# International Trainee at DB Schenker Logistics

**Discover the entire world of logistics and  
be a part of our international trainee program  
Talents@DB Schenker Logistics**

DB Schenker is a global employer. Being the transport and logistics division of Deutsche Bahn we're constantly looking for enthusiastic, motivated employees for over 2,000 locations in 130 countries, to move goods and projects across borders.

We are the second largest transport and logistics company in the market. Our company provides industry-specific and integrated logistics solutions worldwide in the areas of overland transportation and air and ocean freight as well as contract logistics.

## **Benefit from this range of opportunities in our international trainee program**

Within 18 months, you will have gained a comprehensive overview of our international corporate culture and our business fields all over the world:

- Contract Logistics/SCM
- Air and Ocean Freight
- Land Transport
- Key Account Management/Sales
- Finance and Accounting
- Human Resources
- IT

**We are looking for motivated and dedicated graduates!**

## **Your profile**

- Good to very good degree, preferably major in logistics
- Initial professional experience through internship and/or previous experience in the logistics sector
- Advanced English and basic German skills; other languages are beneficial
- Good interpersonal and intercultural skills (internships abroad, etc.)
- Entrepreneurial thinking and independence
- Analytical and conceptual thinking
- Good communication and customer service skills
- Proficient in MS Office

## **Job prospects**

As a trainee of Talents@DB Schenker Logistics you will get the opportunity to gain international and professional experience.

In-between on-the-job phases you will have the opportunity to participate in further training to strengthen your theoretical and personal skills. We look forward to welcoming you aboard!
