International internship at DB Schenker Logistics

Discover the entire world of logistics and be a part of our international internship program INTERNational@DB Schenker Logistics!

DB Schenker is a global employer. Being the transport and logistics division of Deutsche Bahn, we're constantly looking for enthusiastic, motivated employees for over 2,000 locations in 130 countries to move goods and projects across borders.

Whatever your background, we offer the ideal environment for new starters, career changers and anyone looking for development opportunities. In other words – a job at DB Schenker is: A job like no other.

Making coffee and running errands? Not at DB Schenker!

Gain an insight in our logistics world full of challenging projects, international atmosphere and fantastic colleagues.

We regularly offer internship positions in:

- Australia (regular vacancies)
- USA (start dates in March and September)
- Indonesia
- Germany (regular vacancies)

Our current internship positions are published in our Career Market: www.dbschenker.com/career
Please only apply to our current openings.

We are looking for motivated and committed students

Your profile

- Enrolled as a student for the entire duration of the internship
- Good study grades
- Logistics, economics or a comparable subject as your core subject
- Fully available for six months
- Initial practical work experience preferred
- Very good English skills – other language skills are country-dependent
- Very high level of intercultural competence
- Good communication skills
- Proficient in MS Office

Job prospects

As an intern at DB Schenker Logistics, you will be fully included in the team. You will work both in a supporting role as well as autonomously on your own projects. Of course you will be remunerated for your efforts.

We look forward to welcoming you aboard.
